Five Easy Steps

STEP 1: CALL OR EMAIL TB-Lion Media Presentations

We want to consult with you on a personal level to ensure that your slideshow is unique, special and memorable!

STEP 2: CUSTOMIZED THEMES

CUSTOMIZED THEMES - Please make any additional notes or suggestions prior to the production of your project (ex: colors, music style, quotes, names and dates)

STEP 3: ORGANIZE YOUR PHOTOS

If you want your photos in a specific order, please note the instructions below. If you do not have the time to put your pictures in order, we will place them in the best possible order for you.

Paper Photos: Place your photos in the order you would like them displayed and write the number on the back of the photo with marker or use sticky notes.

Digital: Digital files should be saved as jpeg's. Number them (example; Tom1.jpg, Tom2.jpg) or we will use them in chronological order if not noted.

STEP 4: MAIL YOUR PHOTOS & MUSIC

If sending your pictures through mail, we recommend UPS or Fed Ex for tracking purposes. We cannot be held responsible for pictures misplaced during transit.

Payment due (Cash, Check, or Money Order) upon completion. Please allow 3 to 4 weeks for completion.

STEP 5: MUSIC SELECTION

We can purchase your selection of music at \$1.29 per song or you can provide your music on CD or mp3 file. You must own all songs you provide. If you do not have any music and would like us to make the selections, we will purchase the music for your presentation at \$1.29 per song.
